

Property Application Process

Step 1

Contact our office on **0141-345-2005** to advise that you wish start the application process for the property.

Step 2

Register your details by completing the tenancy application section on our website www.ritehome.co.uk this will automatically create your account and we will be in touch within 3-5 days.

Step 4

When your application and any guarantor has been approved by the referencing company we will contact you and arrange for your lease to be signed electronically, provide payment details for your rent and deposit and arrange a time for your **move in appointment**.

Step 3

If your application has been successful our referencing company will be in contact to complete the necessary credit checks, we will also let you know if your application has not been successful.

Step 5

On your move in date we will meet you at the property and hand over the keys to your new home. **Your lease needs to be signed prior to this, your deposit and rent must also be in our account no later than 2hrs before your agreed move in time**
